The application has been amended as follows:

2. The following changes to the drawings have been approved by the examiner: FIGS 1a and 1b require a label such as "prior art" since only that which is old is shown. In order to avoid abandonment of the application, applicant must make these above agreed upon drawing changes.
3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest the invention as claimed. The invention requires a Vee-shaped reference device, a gauging device, a support device with a specific coupling mechanism, mechanical abutments and a control device. The *specific* combination as set forth in independent claim 1 is neither suggested nor disclosed by the prior art of record. Therefore, claim 1 and subsequent dependent claims 2-12 are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
